Writing Exercise

1. Make up 5 sentences, in each one using one of your 5 sight words.
2. Make up a story in which Mr. Lee and Mr. Cook have a terrible argument. You must tell what the argument is about and what they say to each other. At the end, one of them punches the other one in the nose. Your story must be at least one page long (skipping every other line), but it may be longer if you wish.
3. Make up a question using direct address.
4. Make up an exciting sentence that begins with "Oh."
